Brooklyn!!

WHERE NEW YORK CITY BEGINS

◆ How green it is! At the Brooklyn Navy Yard, Marty joined Mayor Michael Bloomberg, Deputy Mayor for Economic Development Robert Lieber, Navy Yard Development Corporation Chairman Alan Fishman and President Andrew Kimball, as well as photographic innovator and entrepreneur Baldev Duggal, Assembly Member Joseph Lentol and Council Members Leticia James and David Yassky to open the Perry Avenue Building, the nation's first multi-story green industrial facility, and to announce the creation of Duggal Greenhouse, a manufacturing space and incubator for new sustainable products.
